DESSERT

*Something I'm
especially proud of.*

Nucleus Security

NUCLEUS SECURITY

Product Manager

Outbound Data & Integrations

Responsible for the Outbound Data & Integrations product domain, including enterprise integrations, ticketing, notifications, reporting, and data export capabilities. I partner with engineering, design, and customer-facing teams to shape product strategy, user experience, and documentation while delivering automation that helps organizations operationalize exposure management.

BEVERAGES

*Best enjoyed
daily.*

STRATEGIC ESPRESSO

Product strategy
& roadmapping

COLLABORATION TEA

Cross-functional
partnerships

AGILE MATCHA

Kanban, backlog
& flow metrics

DATA RED

Data-driven
decisions

CUSTOMER LATTE

Discovery, feedback
& outcomes
